

TALEEN L. STREETER, LEED GREEN ASSOC., ASSOC. AIA

Lighting Designer II

Experience:

Taleen Streeter joined The Lighting Practice in 2018. She previously worked internationally as a lighting designer in Dubai, UAE on prestigious architectural projects throughout Europe, Asia and the Middle East. It was in Dubai that she gained experience in the lighting design field and became inspired by how light can enhance a space, create drama, and shape architectural elements in various ways. Since joining TLP, Taleen has worked on projects spanning corporate, academic, façade, retail, commercial, hospitality, liturgical, and residential sectors.

Education:

Bachelor of Architecture, Temple University

Professional Activities & Organizations:

- *United States Green Building Council (USGBC) - Member*
- *LEED Green Associate*
- *Associate AIA*
