

**TAMMY C. WU, LEED AP**  
**SENIOR LIGHTING DESIGNER**

**YEARS OF EXPERIENCE: 18**  
**YEARS WITH FIRM: 2.5**

**EXPERIENCE**

Tammy Wu joined The Lighting Practice's New York team in 2021 as a Senior Lighting Designer. She previously worked as an Associate and Senior Lighting Designer for two prominent New York City lighting design firms. Tammy has designed interior and exterior lighting solutions for academic, corporate, exhibit and museum, performing arts venues, and private residences. As a LEED Accredited Professional and architectural designer by heart, she always strives to find lighting solutions that are not only energy conscious, but also give the tangibles form, and complement the intangibles.

**EDUCATION**

Master of Architecture, University of Pennsylvania  
Bachelor of Architecture, Tunghai University, Taiwan
