

ELIZABETH MCGUOIRK

Lighting Designer I

Experience:

Elizabeth McGuirk joined The Lighting Practice in 2022. She began her career as an electrical engineer, following graduation from Rensselaer Polytechnic Institute where she received a Bachelor of Science in electrical engineering. Elizabeth's love of numbers and interest in light's ability to influence and inspire merged into a career in lighting. Prior to joining TLP and after working as an electrical engineer for firms based in New York, New Jersey, and Pennsylvania, she worked as a lighting designer for another NYC firm. Since joining TLP, Elizabeth's project experience has expanded to include academic, corporate, healthcare, and retail.

Education:

MFA: Lighting and Interior Design, Parsons School of Design
