

FELIX WARREN

Designer

Experience:

Felix joined The Lighting Practice in 2021 as a Designer. He is drawn to the fun and flexibility of lighting design, from commercial use to art installations, and chose to pursue a career in lighting design because it combines all aspects of architecture that he enjoys. Felix graduated from Thomas Jefferson University in 2021 with a degree in Architecture and a custom minor in Lighting Design. His previous experience includes several installations at Laurel Hill Cemetery, participation in the Light4Health program, and an internship with the Port Authority of NY & NJ. Since joining TLP, Felix's project experience has grown to include mixed-use residential, hospitality, and healthcare.

Education:

Bachelor of Art in Architecture with a Minor in Lighting Design, Thomas Jefferson University

Professional Activities & Organizations:

- *National Organization of Minority Architects (NOMA) - Member*
