

KEVIN SMOLKIS
LIGHTING DESIGNER I

YEARS OF EXPERIENCE: 4
YEARS WITH FIRM: 4

EXPERIENCE

Kevin joined The Lighting Practice in 2022 as a Designer, and was promoted to Lighting Designer I in 2024. Kevin excels in lighting visualization and is inspired by the subliminal ways light influences daily life. They graduated from Jefferson University with a Bachelor of Science in Industrial Design and two concentrations in Lighting and Visualization. Their previous involvement in industrial design helped them gain experience in fixture design and lighting for health and hospitality. Outside of lighting design, Kevin draws inspiration from their involvement in other design work, such as illustration, photography, and web development.

EDUCATION

Bachelor of Science in Industrial Design, Jefferson University

- Concentrations in Lighting and Visualization
