

LILY MEAKER
LIGHTING DESIGNER I

YEARS OF EXPERIENCE: 3.5
YEARS WITH FIRM: 3.5

EXPERIENCE

Lily Meaker joined The Lighting Practice in 2022 as a Designer, where she coordinates with allied team members, assisting with documentation of design and performing construction administration tasks. She was promoted to Lighting Designer I in 2024. Lily graduated from Syracuse University with a focus in Theater Design and Technology. She acted as the lighting designer for three shows at SU Drama, and before that was the assistant lighting designer with SU Drama. Lily's interest in lighting design piqued during her high school years volunteering in theater, where she noticed the vivaciousness that lighting design brought to the production. When she's not adding to the magic of lighting design, Lily enjoys ceramics, playing soccer, and hunting for the best cup of coffee.

EDUCATION

Bachelors of Fine Arts in Theater Design and Technology, Syracuse University
