EXPERIENCE

Karinne Loos joined The Lighting Practice in 2023 as a Designer after working as an Intern during the summer of 2022. In her role, she coordinates with allied team members and performs documentation of design and construction administration tasks. She received her Bachelor of Arts in Integrative Arts and Architecture at The Pennsylvania State University and has interned at two other firms in the lighting industry. Karinne is driven by a passion for designing spaces and is fascinated by the visual impact that lighting creates.
