LIGHTING DESIGNER I

**YEARS OF EXPERIENCE: 1.5
YEARS WITH FIRM: 1.5**

EXPERIENCE

Rachel Lee joined The Lighting Practice in 2023 as a Lighting Designer I after working as an Intern during the summer of 2022. She received her Bachelor of Architectural Engineering degree at The Pennsylvania State University in 2023 and was the vice president of Penn State's IES chapter in 2020. Rachel's interest in lighting design was first sparked by the psychological effect that lighting can have on people in any given space. She has mainly worked on conceptual packages and design documentation for various project types but most commonly corporate, academic, and exterior façade and site.
