

**HYESOO CHUN**  
**LIGHTING DESIGNER I**

**YEARS OF EXPERIENCE: 5**  
**YEARS WITH FIRM: 1**

**EXPERIENCE**

Hyesoo Chun joined The Lighting Practice in 2025 as a Lighting Designer I after receiving her Master of Fine Arts in Lighting Design from Parsons - The New School, where she received an Illuminating Engineering Society (IES) award for her thesis. Prior to attending Parsons, Hyesoo worked as an interior designer, where she became more aware of how light shapes the way a space is experienced. She became fascinated by how light renders everyday life and wanted to contribute to the moments that light makes special. As a Lighting Designer I, she coordinates with allied team members, performs documentation of design and construction administration tasks. When she's not adding to the magic of lighting design, Hyesoo is an ambitious tea practitioner and enjoys ballet.

**EDUCATION**

Master of Fine Art in Lighting Design, Parsons - The New School

Bachelors of Fine Arts in Interior Design, Pratt Institute

**ACCOLADES**
